BEVERAGE AND STOCK MANAGER

Hi everyone!

At Marleybrook House, I take care of everything to do with beverages! This subsequently then means I look after our bar staff as well!

As such, I manage stock levels, staff training and wine lists.... but that's not all of it!

Part of the job involves wine/gin/cocktail tastings, meetings with Distilleries and designing menus! This is the fun bit!

As we have had a lot of exciting things happen this wedding season, I thought I would show you behind the scenes of the more glamorous side!

So sit down with a large glass and have a read all about the new and exciting beverage updates!

Gin Menus

WITH FEVER-TREE PAIRINGS

Just before summer, I worked alongside the team at Fever-Tree to pair our gins with their iconic mixers and create a new Gin Menu!

Firstly, we went through all of the pairings to ensure the gins and mixers were perfectly handpicked and matched. Such a hard job... but someone had to taste them!

We then we discussed what the perfect additions to each drink would be. Would we need a lime wheel or a rhubarb twist? Star Anise or Mint?

Finally, we worked alongside the Fever-Tree design team to design the perfect menus!

We started out with some pastel colours that match our current colours.

However, our new Star Enclosure is bright and bold with its light up bar and palm trees so we decided to go for something that would stand out!

My favourite:
My favourite from our new menu is Raspberry & Orange Blossom Spritz!

Cocktails

*WE KNOW.... ITS BEEN A LONG TIME
COMING!*

Our number 1 question at viewings has been "do you do cocktails" for as long as we can remember! Well, this summer, we have been surprising our couples by trialling a exquisite range of cocktails at our new Star Enclosure.

This has gone down a storm... and I am delighted to announce that we will continue to offer these popular cocktails going forward!

Our current range of cocktails include:

- Cosmopolitan
- French Martini
- Pornstar Martini
- Espresso Martini
- Strawberry Daiquiri
- Sex on the Beach
- Pina Colada

My favourite:
Sex on
the Beach!

Amy's favourite:
Pornstar
Martini!
